Traditional Tea Room

## Welcome to Tea and Tattle tearoom and Arthur Probsthain Bookseller

Our story starts over 100 years ago when our bookshop was founded. Since then four generations of our family have been helping our customers to find an amazing selection of books, and more recently art and music. (feel free to explore upstairs.) In June 2010, we decided that we wanted to offer our lovely customers something more and so the Tea and Tattle tea room opened its doors. Now you can enjoy our traditional English afternoon tea menu in our historical and unique setting.
